EQUAL OPPORTUNITY CELL

The Equal Opportunity Cell aims to promote equality, inclusiveness and non-discrimination among students and staff, irrespective of caste, religion, gender, disability, economic background or social status. The Cell organises awareness programmes, seminars and workshops to promote social justice, equal access to educational opportunities and respect for diversity. It supports underprivileged students, addresses issues of discrimination, facilitates access to scholarships and welfare schemes, and strives to create an inclusive, supportive and equitable learning environment for all.
